

COVID-19 ESSENTIAL BUSINESS SOLUTIONS: **CASHIER SHIELDS**

Implement fast, effective solutions to protect your essential business employees.

We engineer and produce acrylic shields for countertops and cashier stations to create necessary physical barriers between customers and staff. These shields are designed to fit your specific needs and can be produced quickly to keep you up and running safely.

These solutions are durable and easy to implement in many retail environments, including gas stations, grocery stores, and pharmacies.

We provide a variety of methods to safeguard businesses that remain in operation during the health pandemic. We are ready to get you the solutions you need to stay safe and operational during this challenging time.
